

Technology & Worship

Kirkmont Presbyterian Church

Amy Vaubel – Director of Music
amy@kirkmont.org

Gail Vaubel – Audio Lead

Why use Technology

- To better communicate with today's worshipers, who can then connect to other believers and help change lives.
- Yes, worship can be done without technology. However, we continue to live in times of technological revolution and innovation. We need to be culturally relevant.

Technology Uses

- Announcements
- Scripture
- Words to Hymns and Praise songs
- Video Clips
- Satellite Broadcasts
- Video and Audio Recording for shut-ins and visitors

2008 Survey PCUSA

- Uses internet or email to communicate with worshipers
 - Catholic: 30%
 - Mainline Protestant: 63%
 - Conservative Protestant: 36%
 - Historically Black: 33%
 - Other: 13%
 - Overall: 45%

Video

- Planning
- Hardware
 - Screen(s)
