

For COM consideration from First Presbyterian Church of Yellow Springs:

Dave Meister has technically already served 2 three year terms on Session but given our extreme circumstances of two years pandemic, mostly doing everything remotely via zoom (which has therefore not brought up church attendance), Dave has graciously agreed to serve another year as we try to hopefully do more in person and grow the church.

I asked everyone else eligible that would be a faithful Elder and that list keeps getting smaller, there was no one else at this time. The hope is perhaps by next year, someone else might step in and finish his other two years of this term.

Given all the extenuating circumstances, I do hope that you see fit to approve this request for service exemption for our Yellow Springs Session.

Thanks you so much and please let me know if I can answer any other questions for you.

Peace and Blessings,
Jeanna GunderKline, Ruling Elder
Nominating Committee Chair
