

The Committee on Representation and Diversity continues our efforts to raise awareness around issues of diversity and inclusion.

**Film Discussion**

Thanks to MWS Ed McNulty for leading very engaging discussions on the film *Hidden Figures* on October 11 and 13. Thanks to those who joined us as we continue to learn from each other and increase our efforts to understand and eliminate systemic racism.

**We Still Want to Talk**

It's not only politics that continues to divide our community. Many issues remain that deserve our attention. The Committee remains committed to chatting with members of Sessions throughout the Presbytery about diversity and inclusion issues you're experiencing in your church and congregations.

We invite Session Moderators to contact Co- Chairs, Pat Meadows (937-430-0161) or Diane Welborn (937-856-7575) to schedule. We hope to hear from you.
