

## Mission at Every Meeting

As part of our Matthew 25 commitment and mindful of the ways that the church has too often ignored systemic poverty and structural racism and the damage these do in our communities and families, the Session of Corinth Presbyterian has chosen **QUEENS VILLAGE, DAYTON CHAPTER** to receive the mission offering taken during worship at the Stated Meeting of the Presbytery of Miami Valley on February 12, 2023.

Queens Village is a Black and Female led nonprofit founded in Cincinnati which now has chapters across Ohio and in other states. The goal of Queens Village is to “confront racial disparities in birth outcomes and the conditions that drive inequity in maternal and infant health”.
