

*Xenia United  
Presbyterian Church  
thinks we all need a  
place to have...*

We all know that a good night's sleep is the best foundation for a good day - for children to thrive in school, for adults as they go through their work day, and for seniors as they deal with the aches and pains of aging. Unfortunately, many in our community do not have a comfortable bed of their own. Our Sweet Dreams program works with local agencies and schools to provide complete bed bundles for those in need. Each bundle consists of a twin or full size bed frame and mattress, sheet set, blanket, and pillow.

In 2022, we gave out 30 complete bed bundles, and so far in 2023 we have provided over 40 bed bundles to children and adults in need. Your donations of new sheet sets, blankets, and pillows will help many more have Sweet Dreams!
