

Administrative Commission (AC) to College Hill Community Church (CHCC)  
February 2024

The College Hill AC presented a report to the Presbytery on Tuesday, January 30, 2024 outlining the disorder and division at College Hill Community Church and along with it, two motions, one to declare College Hill in schism as defined by the Book of Order and another to grant the AC the authority to identify and declare the " true church within the Presbyterian Church (USA) ."

Subsequently, a letter was drafted and shared with the College Hill Congregation following worship by RE Gene Saunders on Sunday, February 4, 2024, with RE Donna Courtney and EP Terry Kukuk also present and at worship. A brief Q&A followed. This letter will also be shared more fully with the congregation and translated for the Spanish-speaking congregants.

Efforts are also underway to determine which congregants would like to remain a part of the membership, life and vibrant ministry of College Hill.
