A-5

Report from the Administrative Commission
for St. Luke United Presbyterian Church
to the Presbytery of the Miami Valley
October 26, 2026

Rev. Marc van Bulck continues to serve as moderator of the session following the retirement of Rev. Sedgwick. Cheryl Collins serves as the liaison to the Committee on Ministry. Rev. Marc van Bulck and Marge Morgan serve as co-chairs of the Administrative Commission.

The Administrative Commission continues to walk alongside the congregation of St. Luke and the session during this season of discernment. As of this writing, day-to-day operations and administration of the church continue under the stewardship and supervision of the session, including pulpit supply, pastoral care, church programming, etc.

As of this writing, no firm decisions have been made regarding the church's future. St. Luke has been able to maintain fragile financial stability from month to month. However, the session acknowledges that their circumstances are tenuous and could change in the future. Therefore, it has been the recommendation of the A.C. that the session begin making contingency preparations just in case.

As the congregation continues this season of prayer, discernment and service to God, the Administrative Commission walks alongside them step by step…

Gracefully submitted,

Rev. Marc van Bulck
Associate Pastor, Fairmont Presbyterian Church
Administrative Commission, Co-Chair

Ruling Elder Marge Morgan
Interim Associate Stated Clerk, Presbytery of the Miami Valley
Administrative Commission, Co-Chair
